## The Newsletter of Yarm Pre-Prep

Miss Rowland's message ...

Number 368

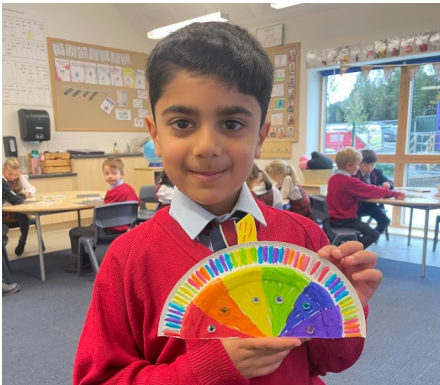

4th November 2022

I hope you have all had a lovely half term holiday. It has been a joy to hear about the children's adventures near and far. I have had the pleasure of being in and out of all classes in Pre-Prep. In Nursery, the children have been exploring pumpkins, making firework puppets and working on their cutting skills. The Reception children continued the Bonfire Night theme and had a wonderful time in the woods on Thursday drawing huge firework pictures with Mr Pearce. During Year 1 PE, the children had a great time learning a new game called 'Pacman'. There was so much laughter and excitement and they can't wait to play it again! I know how excited the Year 2 children have been to receive their parts in the forthcoming Nativity play. We definitely have some budding actors in Pre-Prep. Thanks goes to all the staff in Pre-Prep for making it another fun filled week for the children. I hope you all have a super weekend and that you enjoy some Bonfire Night celebrations.

## Firework Fun

The Year One children have exploded back into action after their holiday with a week of firework themed work. Careful consideration for how to stay safe inspired us to make useful posters to help other children. The children also made some amazing firework shapes in their dancing performances.

## Celebrations

During our topic lessons, we have been learning about the celebration of Diwali. We have created diya lamps and firework pictures to represent this festival of light.

## Bonfire Night

The Nursery children have enjoyed learning about Bonfire Night. There have been many activities for the children to explore including painting, making playdough and drawing pictures of fireworks.

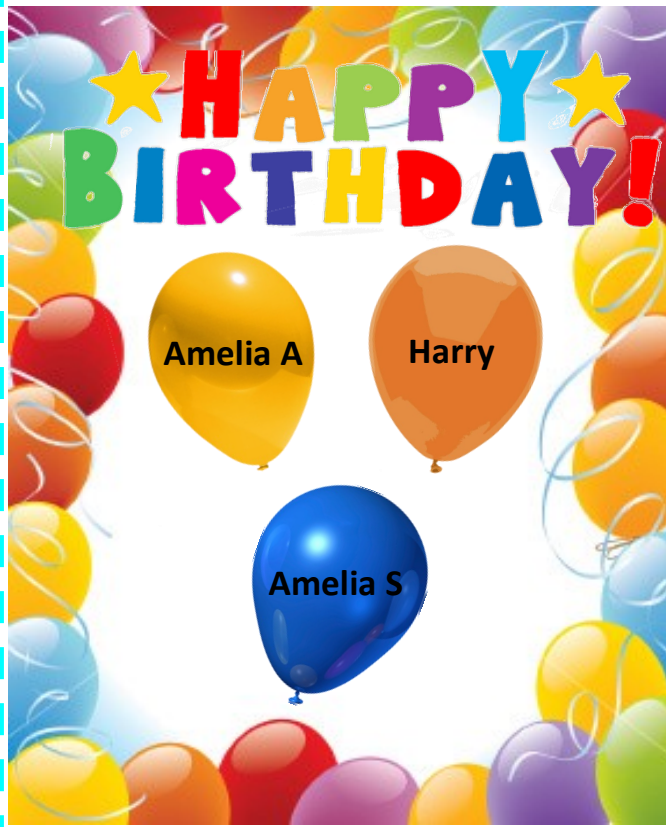

## Shadows

A discussion about changing from British Summer Time to Greenwich Mean Time led to the children observing the diminishing sunlight during Monday afternoon. The children drew round each other's shadows.

October Holiday School

### Autumn Term Stay and Play Sessions

- Nursery—Thursday 17th November—2-3pm
  - Reception—Friday 11th November—8.45-9.30am
