

The Phoenix Flier

The Yarm Preparatory School Newsletter

Issue 802 — Friday 21st February 2025

A message from Mr Sawyer

Welcome to this edition of The Phoenix Flier! We are delighted to bring you the latest stories, updates, and happenings from our vibrant community. This week has been filled with exciting workshops, challenges, trips, guest speakers, and group projects as part of our STEAM Week. The overarching theme this year has been the 200th anniversary of the Stockton to Darlington Railway.

Throughout the week, all pupils from Nursery to Year 6 participated in immersive, hands-on experiences. Team-based tasks ranged from building model bridges spanning the River Tees to creating gravity-powered railways. The depth of learning has been outstanding, and the development of teamwork skills significant. It has been a pleasure to witness the pupils' energy and enthusiasm, with guest speakers remarking on how impressed they were by the character and curiosity shown. A huge thank you to Mrs Smith for coordinating yet another brilliant STEAM Week.

Elsewhere in school, there has been no shortage of ambition, achievement, and growth. Our U11 Netball team won the North East Junior School tournament, while our U11 Girls' Hockey team triumphed in the County championship in the In2Hockey competition. Chess has also seen fierce competition, with a record number of players battling it out in the school round of the UK Chess Challenge.

As we head into half term, I would like to congratulate all our pupils and staff for their effort and commitment this term. With so much accomplished, the break is certainly well deserved. I look forward to the next instalment and the adventures ahead of us!

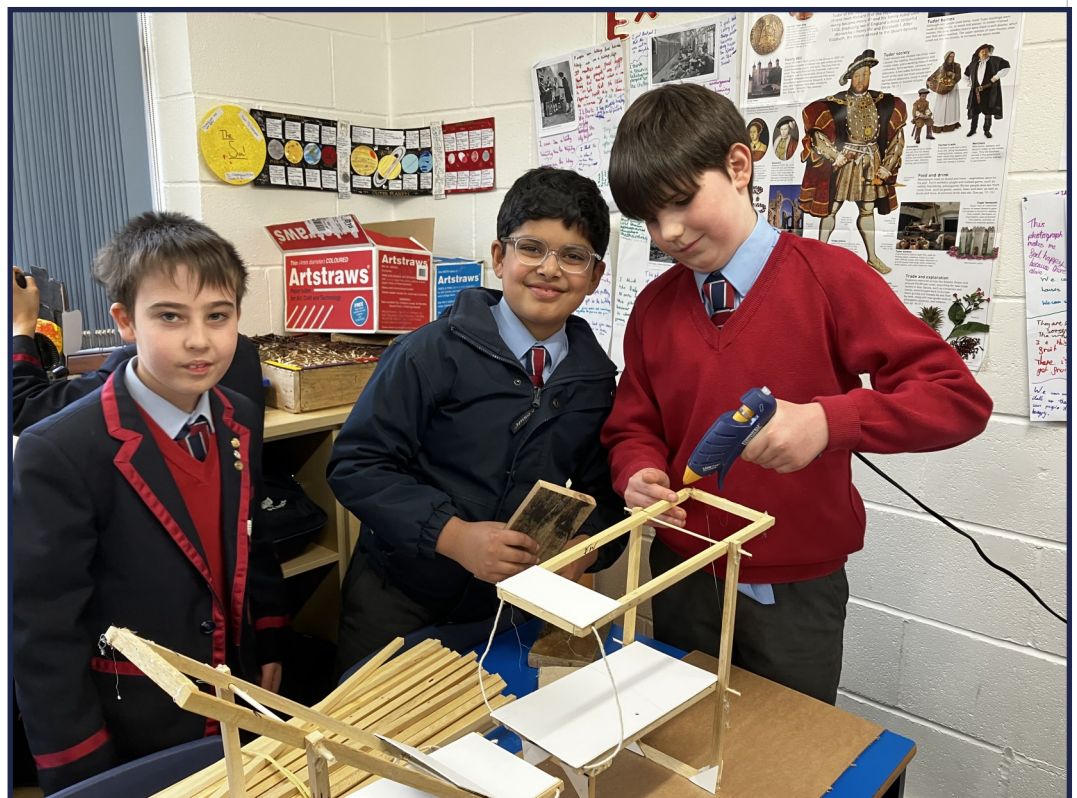

Bill Sawyer

Head's

Challenge: I am found in the flame, though hidden from sight. In sadness, I linger, though not out of spite. What am I?

Independent
Prep School
of the Year

STEAM Week

Year 4 has learned a lot about the history of the steam engine and local history of the Stockton and Darlington train line. We visited Hopetown and listened to a talk from Ken Bradshaw, who is Blue Badge Guide and has extensive knowledge of our local area.

Year 4 have also looked at the strength of different shapes pillars. The children made triangular based, square based and cylindrical pillars to test this. We were amazed by how strong the cylindrical pillars were. Most of them were able to hold more than 10 dictionaries each weighing 600g!

Mr Frank

Year 6 were one of many year groups to take part in a workshop led by the North York Moors Railway.

Mr Harandon

On Tuesday, 50 Year 3 children plus teachers set off from school to Allen's West to catch the train to North Road Station for their visit to Hopetown. Fortunately, Mr Evans and Mr Vardy had volunteered to take us by minibus to the station which saved us from a walk.

There was great excitement as we waited on the side of a very chilly platform for our train to arrive. The train arrived, and we were clambering aboard for a quick journey to Darlington

North Station. During our journey we saw The Great North Air Ambulance, Durham Tees Valley Airport and several aeroplanes close to the runway.

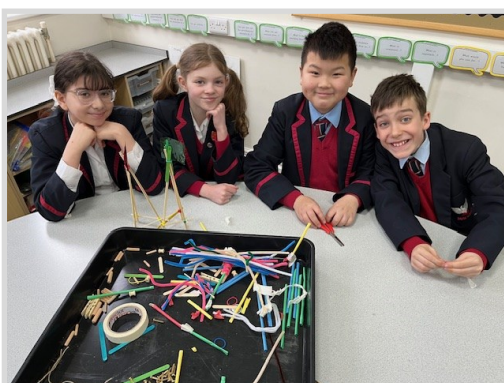

On our arrival at Hopetown, we were met by Eleanor who was our excellent workshop leader. We spent some time

playing outside and enjoyed a quick snack before entering the museum. There were so many activities in which to participate from engines to marvel at and fancy dress costumes to be worn for photographs. After lunch, we had some time for more exploration of the exhibits and then a spot of retail therapy, which is always a very popular part of a school visit! Finally, it was time to depart back to school.

Having arrived back at Allen's West, we were met by Martin Peagram who shared his extensive knowledge with all of us. Thank you very much to Mrs Smith who organised this wonderful trip, which was inspirational and provided us with many ideas for our bridge building project.

Mrs Jones

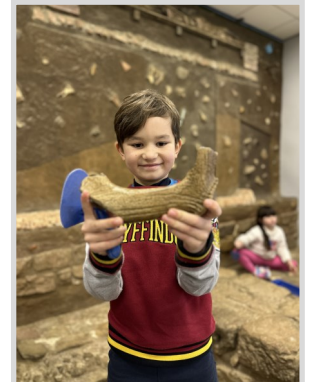

Year 3 Trip to Arbeia

Last Thursday, the Year 3 children visited Arbeia Roman Fort at South Shields. If you have never visited this fascinating historic site, it is situated parallel to the River Tyne in the middle of a range of modern houses from flats to back to back terraces! It served as the perfect ending to our British history topics this year which have taken us from the Stone Age to the end of the Romans in Britain.

The children thoroughly enjoyed practical activities which included: an archaeological dig, bridge building, mosaic creation and the game of Ludus Latrunculi (a similar game to chess)

The children impressed Helen, one of our guides with their knowledge of Roman life, the invasion and historical vocabulary too. They were also able to explore the whole site with Leslie and learned about the 'latrine,' the barracks and how to scare off the most scary

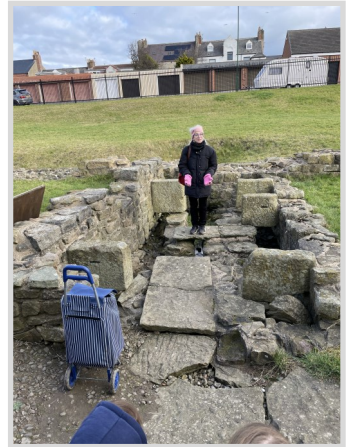

of intruders with a stone ball thrown from the top of the West Entrance. The visit ended with some shopping for souvenirs of a memorable day at Arbeia.

Mrs Jones

Visiting Arbeia was incredibly fun. My favourite part of the day was digging in the Roman village, being an archaeologist. Edith and I found a Roman skull, which told us that person probably died because they were injured.

Isabelle F.

PE and Games News

Under 11 Hockey v Cundall Manor

The U11 boys made the short journey to Cundall Manor to play hockey. Two teams played, with both demonstrating great determination despite the cold conditions.

A number of well worked goals were scored and some sterling defence contributed to two great results. A massive shout out to Rory F and Kaiden G for stepping up and playing in goal for the first time. Well done all!

Mr Simpson

Under 11 NEJS Netball

On Wednesday 12th February, eight Year 6 girls went to Hymers College in Hull for the U11s NEJS (North East Junior Schools) netball tournament.

Although it may have been a cloudy and gloomy day, our spirits were quite the opposite. We stepped off the bus with our heads held high and our shoulders back: we were ready for the events the day would bring.

The first round was a brilliant success: we won all our matches and were through to the next round. The next round was very similar, if not a bit harder, and we won all our matches triumphantly. We were positive we would win the tournament, but then one team challenged us to a rematch for the finals. There was still more netball to play.

We strolled onto the pitch feeling prepared. Powered by adrenaline and determination, we played the best that we could and it was worth it! We won the match: 8 - 2 to us! We sat down in the prize-giving, feeling too excited to speak, until the lady called our school name: "And the winner of the shield is... Yarm!" It was like a dream come true!

Manha A.

Girls' Sport Round-Up

We took 2 teams to the County hockey tournament held at Norton Astro last Friday. This tournament is a qualifier for the In2 hockey event next month so both teams were motivated to do their very best. Rosa's team played really well in their first fixture v Red House securing a 4-0 win with Daisy and Georgina scoring the goals.

In their second fixture they played Barnard Castle and although it took time to get into the game the girls ran out 3-0 winners with Georgina, Annalise and Daisy once again amongst the goals. With two wins it meant the girls won the overall event which was great to see. Sophia's team played well in their two matches winning 1-0 v Barnard Castle with Annabelle C scoring the winner but eventually lost 1-2 to Red House, in what was a closely contested affair.

Overall both teams gave a good account of themselves and good luck to Rosa's team who will go through to the next round on 13th March.

Mrs Redhead-Sweeney

UK Chess Challenge

This year's internal UK Chess Challenge tournament attracted a record entry of 77 players, despite stiff competition from parties and numerous other events.

This meant we had more than enough players to provide categories for everyone from Year 2 all the way up to Year 6, without having to combine any of the sections.

The Year 2s were playing in their first-ever chess event. We had 16 of them in action; a record in itself.

Miesha Abdullah was the champion of the section and, of course, the Best Girl. Harrison McGlade and Ollie Stephenson shared the Best Boy title.

Arya Jafari and Omran Soliman kept up their family traditions when they shared first place (and title of Best Boy) in the Year 3 section. Isabelle Fraser played extremely well to capture the title of Best Girl.

The Year 4 section was the largest and most competitive category of all, but that did not stop Jayden Wang from winning all of his games to become the overall (and Boy) champion. Zoyaa Soni played very well too, to become the new Girl Champion of Year 4.

Dara Jafari kept up his excellent form with a very convincing victory in the Year 5 section, winning all of his games and taking the Best Boy title, with Scarlett Yang once again taking the title of Best Girl.

Fathe Chahal outscored all of the opposition to win the Year 6 section - and the title of Best Boy. Manha Abdullah and Sandy Omar battled away all day to try and become the Best Girl and after various adventures they ended up sharing the title.

The full scores can be found on the school's chess notice board.

Well played, everyone!

Mr Marsh

Spring Term—Second Half Events

This is a copy of the email sent out to parents earlier this week, detailing all of the key events taking place over the second half of the term.

By way of a reminder, we wanted to keep you abreast of a number of key events coming up in the coming weeks here at Yarm and hope you find this information useful. Please keep an eye on the *Phoenix Flier* as well for any future updates and events.

Monday 3rd March

Pupils return to school after half-term, with after school as usual. [This can be booked by clicking on this link.](#)

Monday 3rd March - Rare Diseases Day

We will be supporting Rare Diseases Day again this year, raising money for Kabuki UK. Your child can wear their jeans on this date (or an item of blue) with their usual school uniform if they [bring in £1 or donate via this link.](#)

Thursday 6th March - World Book Day

We invite every member of the school community to dress up as their favourite fictional book character for the day! During the day we will be inviting parents to visit our wonderful library to share a book with your child and enjoy a drink in the reading cafe. **[Please see page 10 of this edition of the Flier for further information.](#)**

Additionally, we will be hosting a Book Fair during the week in the Studio Hall and the Prep Foyer.

Friday 7th March - Bring your Grown Up to School Day (For Pre-Prep children only)

Parents are invited to come along for a special Stay and Play session. One adult per child is invited to join us in Nursery and Pre-Prep. If you have any questions about the event, please get in touch with your child's Form Teacher.

Friday 7th March - Prep Red Nose Disco (for Years 3-6)

The disco will take place in the Prep School hall on Friday 7th March, from 6pm until 7.30pm. All pupils are invited and will be able to enjoy the usual party games and activities organised by teachers and dance to a range of 'bangers' played by the DJ!

Tickets for the disco will be £2 each (money to be brought along on the night), with all proceeds going to Comic Relief as part of Red Nose Day. We do need confirmation of pupil attendance for catering and safety purposes, as every child will be given something to eat during the event. **[As such, please could you fill in this online consent form by Monday 4th March.](#)**

On the day of the disco, children attending the party will go home as usual and can then return for the 6pm start. Please be advised that children will have to be dropped off at the Prep School car park and met by our teachers to walk to the hall. Staff will be in attendance from here to supervise the children to the disco.

If you plan on booking After School Care, we can supervise them in a special after school care. It is recommended that they bring in a packed tea though to keep them going. Please let me know via email if you want to make use of this. Street dance club will go ahead as normal; children involved will be supervised prior to the start of the disco.

Please ensure that your child brings their water bottle to school on the day

of the disco as they will be drinking water from these during the event to cut back on single use plastic cups.

Parents can collect their children at 7.30pm from the Prep School. If the Prep car park becomes full, please use the Senior School car park as an alternative and walk up to the Prep site.

Please complete the online consent form above by Monday 3rd March to secure a place for your child at the disco. Please note: the disco is only open to Prep School children.

Friday 14th March - Red Nose Day (Y3-6 only)

For Comic Relief, all children can come into school in the morning wearing an item of red clothing, along with their usual school uniform and should bring in £1 to donate to the charity.

Friday 14th March - Pre-Prep Holi Festival Celebrations

In Pre-Prep, we will be celebrating this festival with a 'colour run' in the Pre-Prep Garden! Please send your child to school wearing home clothes that you don't mind getting covered in paint!

If your child is in Nursery and does not usually attend Nursery on a Friday afternoon, you are more than welcome to drop them off at 2pm and collect at 3.30pm so that they can join in with the celebrations.

If you have any questions, please feel free to get in contact with any of the Pre-Prep team.

Monday 17th and Tuesday 18th - Parent Consultations

Details to follow of how you can book an appointment with your child's form tutor to discuss their progress this term.

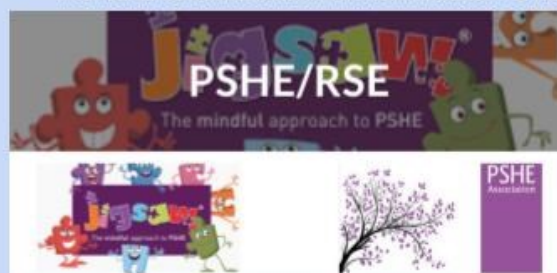

Thank you as always for your support.

CEOP

The Child Exploitation and Online Protection Centre (CEOP) aims to keep children and young people safe from sexual abuse and grooming online.

Parents, carers and children can report a concern about child sexual abuse or online exploitation to the CEOP Safety Centre.

ANY CHILD IN IMMEDIATE DANGER SHOULD ALWAYS CALL 999 FIRST.

You can contact CEOP by clicking on the logo on this page. This links to the CEOP website where you can report any concerns you may have. Alternatively, click www.ceop.police.uk/safety-centre/.

Mr Stone

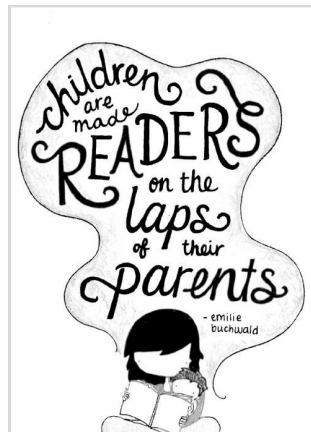

World Book Day

**Thursday 6th March -
World Book Day 2025 -
Reading Café and Book
Fair**

World Book Day presents the perfect opportunity to celebrate literature and reading together. This year, we would like to celebrate that children are more likely to enjoy reading when their choices are championed and we make reading fun. Therefore, every year group will be invited to celebrate the joy of reading as a family by bringing their favourite story along to enjoy in our 'Reading Café' at the Prep School.

All parents from Nursery to Year 6 are invited to attend the **reading cafe on Thursday 6th March from 3 - 5pm.**

Alongside our reading café, we are inviting the children to participate in our reading competition, where they can redesign the front cover of their favourite text in any medium they choose. This will culminate in winners being selected from the entries and vouchers awarded to spend at the **book fair** being held on **Monday 3rd - Friday 7th March**. The book fair will be available in Pre-Prep and the foyer at the Prep school. Children will be able to select and purchase books, or order others to be delivered to school. Every purchase made

at the book fair provides the school with commission to be spent on new books for our children to share.

On Thursday 6th March we would like the children to come dressed in a costume from their favourite book, bringing their favourite story to share with other children during the day. The YSPCC are introducing their World Book Day costume exchange this year. Please see their flier below. **We ask that football kits are not worn this year.**

Every child will be given a £1 World Book Day token to swap for one of the ten books available this year in local stockists. Unfortunately, they cannot be used for the Scholastic book fair books.

We look forward to championing reading with you.

Mr Pengilley

World Book Day Fancy Dress

YPSSC presents:
**WORLD BOOK DAY
FANCY DRESS
STALL**

DONATE your pre-loved fancy dress!

Donate from
12th-20th February 2025

Donations can be sent to reception at
Prep & Pre-Prep school or Pre-Loved
Uniform Shed Donation Box

**Stall Open:
20th February-
5th March 2025**

Stall will be located at
Pre-Prep Pre-Loved Uniform Shed

*Proceeds will go to YPSSC
More Information: yampreloved@gmail.com

In advance of World Book Day on the 6th March, the YPSSC is hosting a Fancy Dress Stall. Bring in old ones that don't fit anymore and find a new one at the stall. Donations of pre-loved fancy dress will be accepted until half-term (12-20th Feb). The stall will be open to buy outfits on the last day of term, 20th February, and again when school reopens after half-term on the run up to Book Day.

YPSSC

Yarm Cricket Club Girls Team

We are excited to inform you that Yarm Cricket Club is launching its very first all-girls cricket team! This is a fantastic opportunity for girls of all abilities (in Years 5&6) to learn and enjoy the sport in a fun and supportive environment.

The coaching sessions will be led by Chris Gibbons, an ECB-accredited coach, ensuring top-quality training and guidance. They are kick-starting with two free taster sessions on Saturday 25th January, from 1:30 PM to 3:00 PM at Conyers Sports Hall. After the taster sessions, the weekly cost will be approximately £6.25 per hour.

Here are the dates for the upcoming sessions: February: 22nd; March: 1st, 8th, 15th, 22nd, 29th; April: 5th, 12th.

We warmly invite all interested girls to attend. Whether your daughter is new to the sport or has experience, these sessions are a great way to learn new skills, make friends, and be part of an exciting new team.

Please feel free to get in touch with Chris directly if you have any questions or need more information. He can be contacted on chrisgibbons@sky.com.

Mrs Redhead-Sweeney

Coming Up at the PAA

Tom Ball - Spotlight—Wednesday 16th April,

7.30pm

Tom Ball shot to fame on Britain’s Got Talent, with Simon Cowell telling him he was ‘simply sensational’, and Amanda Holden saying he was among the best she’d ever seen.

Following the release of his debut album, Curtain Call, Tom is embarking on his first major UK tour. The singer has been likened to such stars as Michael Ball and Michael Bublé – and now it’s time for him to step into the Spotlight.

Dave Finnegan's Commitments— Sunday 11th

May, 7.30pm

Direct from the hit Hollywood Film "The Commitments", the man who has fronted the touring band for the last ten years, is here with his sensational show and his own 8-piece band behind him, performing all the hits from the film and much more.

Dave Finnegan’s Commitments features the same commitment

to their music, with the instantly recognisable horn section, and that sweet soul rhythm section.

Something About Lennon— Friday 6th June.

7.30pm

Imagine a show that tells the story of one of popular music's most iconic figures in a totally unique way.

In a brand-new show from the creators of ‘Something About Simon’ and ‘Something About George’, Something About Lennon – The John Lennon Story will show you a life that wasn't always filled with peace and love.

A tale of controversy, genius, politics and protest, Something About Lennon charts John's story from the breakup of The Beatles to his untimely death in 1980, featuring incredible songs like ‘Woman’, ‘Instant Karma’, and ‘Imagine’, and his story wouldn't be complete without a few Beatles' classics along the way.

Holiday Club Dates

Easter 2025: - 7th—11th April 2025

Summer 2025: - 14th July—1st August 2025

Please contact Mr Simpson for information.

Reduce- Reuse- Recycle

New Pre-Loved Uniform Shed!

YPSSC are excited to announce our Pre-Loved Uniform Shed is officially up and running!

We are located near to the entrance for Nursery on the Pre Prep site.

We provide & Collect Pre-Loved Uniform

Summer- Winter – PE – Games – Accessories

Nursery, Pre-Prep, Prep, Senior & Sixth Form

Come and have a browse-The shed will be manned periodically throughout the week by volunteers and enquiries can still be sent by email or **classlist**.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about JUSTALK KIDS

WHAT ARE THE RISKS?

JusTalk Kids is a child's version of the JusTalk app – a highly popular social networking platform – designed for users up to 13 years of age, allowing them to video call, message and participate in group chats. While adults can link their own JusTalk account to their child's and make use of parental controls, it's important to understand the risks associated with the app.

SUBSCRIPTION FOR PREMIUM ACCESS

While JusTalk Kids is free, there's the option to subscribe to a kids' premium account or a premium family account. At a cost, this feature allows children to have access to more fun features such as games they can play with others in a call; exclusive stickers; a badge denoting them as a premium subscriber; and exclusive ringtones and themes.

POTENTIAL DATA LEAKS

JusTalk and JusTalk Kids claim to be secure and encrypted, going so far as to state that even the developers themselves won't access your data. However, a security lapse in 2022 highlighted that messages were not in fact encrypted – leading to concerns around the security of the app and the transparency of the development team.

RESISTANCE TO CONTROLS

JusTalk Kids endeavours to allow children the sense of having a chat-based app while allowing parents to set controls (within the app or from their own adult JusTalk account). The basis behind this is positive; however, some children are challenging their parents by refusing to use JusTalk Kids, preferring to use the adult version without any restrictions in place.

CYBERBULLYING

Online chats can provide a sense of anonymity, leading some users to post things which they wouldn't normally say in person. Combined with the option of group chats, there's a risk that young people might join in with this kind of behaviour, escalating it further and potentially turning what should be a fun experience into something deeply negative.

KNOWING THE PARENT PASSCODE

After downloading JusTalk Kids, parents can set a passcode which users must enter to add contacts. The parental controls help to manage which content can be viewed and who children can add as a contact: this then allows children to chat with friends in a controlled environment. However, prospective contacts don't have to know a specific username. In theory, someone could type in a random name and then add them as a friend.

TOO MUCH SCREEN TIME

A report by the UK Parliament Education Committee highlighted a 52% increase in children's screen time between 2020 and 2022 – as well as finding that 25% of children used their smartphones in a manner consistent with screen addiction. Introducing children to social networking apps when they're too young can lead to bad digital habits and a reliance on technology from an early age.

Advice for Parents & Educators

JUSTIFY THE CONTROLS

If parents allow their child to use JusTalk Kids, they should explain that they're putting parental controls in place to make the app safer. Make sure the child knows not to put their full name on the account and doesn't use a photo of themselves as their profile picture. This type of open discussion will help to ensure that a child is aware of the app's potential risks and knows how to reduce them.

DOS AND DON'TS OF SHARING

Some children might not understand the potential dangers of oversharing online. Set clear guidelines around what *is* and *isn't* safe to share on the internet, and discuss the concept of a digital footprint. Children need to understand that the things they say and share online can never be completely erased. Even if they delete it themselves, it can be saved and distributed by others.

TALK ABOUT ONLINE FRIENDSHIPS

Young children could be excited to use this app. However, highlight that they must do so in a positive, respectful and responsible manner. While it can be easy to get caught up in a group chat, it's important to talk to others politely and call out any unpleasant behaviour. Discuss the importance of limiting their contacts to people they know in real life and use parental controls to enforce this.

ENCOURAGE OPEN COMMUNICATION

Apps like JusTalk can sometimes lend themselves to bullying behaviours. Parents should monitor what their child is sending and receiving, check in with them regularly and encourage them to share their feelings (both positive and negative) at home. Remind them that they can block a contact if someone is treating them disrespectfully.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Yarm School Online Safety Hub

The Qustodio Parent App

#1

Qustodio is a world-leading online safety tool that helps parents manage and supervise their child's online activities, including managing screen time, monitoring online activity, and accessing advice on online safety. Our partnership with Qustodio offers parents free access to the Qustodio parent app.

[Click here to read the article about Qustodio.](#)

How to manage YouTube with Qustodio

#1

YouTube offers a wide range of entertaining and educational content but poses risks for unsupervised children.

#2

Some risks for unsupervised children include exposure to inappropriate content, harmful marketing tactics, and excessive screen time.

#3

Parents can manage these risks by setting clear guidelines, fostering open communication, and using Qustodio.

[Click here to read the article about managing YouTube with Qustodio by Yasmin London.](#)
